# Headset Overview

	Power button
	Call button
	Charge port
	Headset LED (indicator light)
	Volume button: Increases or decreases volume
	Mute

**Be safe** Please read the safety guide for important safety, charging, battery and regulatory information before using your new headset.

# Pair

**Get Paired**      The first time you power on your headset, it begins the pairing process.

- 1 Wearing your headset, power it on. You hear “pairing” and the headset indicator lights flash blue and red.

- 2 Activate Bluetooth<sup>®</sup> on your phone and set it to search for new devices.
  - iPhone Settings > Bluetooth > On\*
  - Android<sup>™</sup> Settings > Bluetooth: On > Scan for devices\* **NOTE** \*Menus may vary by device.
- 3 Select “PLT\_500.”  
If necessary, enter four zeros (0000) for the passcode or accept the connection.  
Once successfully paired, you hear “pairing successful” and the headset indicator lights stop flashing.

**Use two phones**      Multipoint technology lets you pair a second phone and answer calls from either phone.

- 1 Power on your headset.
- 2 Press and hold the Call button  until the indicator light  flashes red and blue or you hear "pairing."
- 3 While the indicator light flashes red and blue, activate Bluetooth on your phone and set it to search for new devices.
- 4 Select PLT\_500  
If necessary, enter passkey 0000 and accept the connection.  
Once successfully paired, the indicator light stops flashing and you hear "pairing successful."

# Adjust the fit

The universal-fit eartip has a thin loop that bends to gently tuck into the contours of either ear. To adjust the fit, you can rotate the eartip on the headset or add the optional clip-on earloop.

# Charge Headset

You may charge your headset using the included USB charging strap connected to any powered USB port

When finished charging, take your headset on the go by attaching the strap to a key ring, bag strap, belt loop, or any suitable object

# The Basics

Answer or end a call Tap the Call button.

End a call • Tap the Call button.

Reject incoming call Press Call button for 2 seconds.

Volume To increase the volume, tap the Volume up button. To decrease the volume, press and hold the Volume down button.\*  
\*Android phone must be set to medium/high or audio will sound to low.

Mute or unmute headset During a conversation, press and hold both the Volume up and Volume down buttons until you hear "mute on" or "mute off." While the microphone is muted, a reminder tone repeats every 15 minutes.

Redial To call your last number dialed, double tap the Call button.

Voice control (Siri, Google Now, Cortana) • Press and hold the Voice button for 2 seconds. A series of tones will indicate the voice control is active.

Voice enabled assistant To activate Siri or Google Voice, press the Call button for 3 seconds. (Devices may vary.)

# DeepSleep Mode

If you leave your headset powered on but out of range of your paired phone for more than 90 minutes, your headset will conserve its battery power by entering into a DeepSleep mode.

Once back in range with your phone, press the Call button to exit DeepSleep mode.

# Decipher the Lights

Your headset has an indicator light  that flashes in response to a change in status or after a button press.

Some examples of what you will see are:

- Solid red until charging complete and then off
- Flashing red and blue during pairing
- Triple red flash when less than 10 minutes of talk time
- Triple blue flash at incoming call

# Hear it Whisper

Your headset tells you about status changes. For example:

"Power on"

"Pairing successful"

"Talk time (x) hours"

"Mute on"

"Incoming call"

"Answering call"

"Phone disconnected"

"Recharge headset"

# Select language

Once your headset is paired and connected to your phone, you can change the headset language.

- 1 Wearing your headset, power it on.
- 2 Press and hold the Volume up  and down  buttons together until you hear "welcome." The language selection directions repeat in every supported language.
- 3 Follow the voice-guided prompts to select the headset language.

# Install the App

Get the most from your headset by installing our free mobile app, Plantronics Hub for iOS/ Android. Explore all of your headset's features, view instructions, and contact Plantronics support easily from your smartphone.
